### **Collections**

Craig Handley's work can be found in private collections around Australia as well as overseas including Hong Kong, New York, Scotland and Singapore.

### **Artist Statement**

"I like ... enigmatic and mysterious subject matter; the frozen, unreal atmosphere of a stage or film set; to deliberately juxtapose elements to aim for uneasy mood; to create a slightly unsettling feeling of the familiar but yet unknown. My work is a medley, a collage of all the things I come across while travelling about. They are rearrangements, a hodgepodge of places and objects and light."
